MEMORANDUM FOR: Director of Central Intelligence

Sir:

You may now scratch one problem--minor but aggravating--from your worry list. The EEO physical office will be constituted in approximately two weeks in the space on the fourth floor now being utilized by the Comptroller's office. You should know that Jack Iams was extremely cooperative with us in a proposal we made to him on this matter. The EEO office will stay in this location until sometime in March and then it will be permanently established in another area yet to be identified. Omega Ware has been made aware of these matters and is both happy and appreciative.
